As the Platteville Gilcrest Fire Rescue banquet planning manager, it was a pleasure working with Mark Masters as our Emcee and entertainer! Mark was professional, kept our event moving, and did great comedy! His punch lines were right on, he was quick at improv when needed, and really easy to work with! He got back right away on emails and phone calls, and fit within our budget. So grateful we booked with Mark Masters for our 2024 Fire District Award Banquet!
