

LIVING ROOM LAUGHS

People are talking and they are saying "my face hurts from **laughing** so much" and "I was crying" which is almost as good as "I didn't expect it to be so **interactive**" and "I felt like my fam was in my living room." YOU are so close to having your very own one of a kind **experience**, time to close the deal! Our most popular experience is the **COUCH!**

LOVE SEAT

Up to 4 households can connect

25 minute comedy show

Comedians will be comedy club regulars and touring comics (during normal times)

Cost: \$300

COUCH

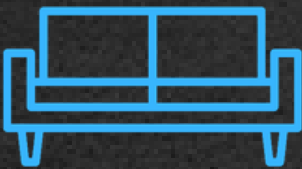

Up to 6 households can connect
